

WHOLESALE INVESTOR CERTIFICATE

Clause 44, Schedule 1 of the Financial Markets Conduct Act 2013 ("Act")

Warning

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors make an informed decision.

If you are a wholesale investor, the usual rules do not apply to offers of financial products made to you. As a result, you may not receive a complete and balanced set of information. You will also have fewer other legal protections for these investments.

Ask questions, read all documents carefully, and seek independent financial advice before committing yourself.

Offence

It is an offence to give a certificate knowing that it is false or misleading in a material particular. The offence has a penalty of a fine not exceeding \$50,000.
